*Leading truck drivers as well as the trucking community to Jesus Christ and helping them grow in their faith*

**August 2012**

## Dear Brothers & Sisters in Christ,

It is my earnest prayer that you are being blessed and abounding in the grace and knowledge of our Lord and Savior Jesus Christ.

**Praise God!** We reached our financial goal for building the new Rochelle Chapel—and it is because of you (individuals, truck drivers, churches, and the generosity of Petro Travel Plaza). Cindy Knight, HR manager at Rochelle Petro, and Dan Soby, Iron Skillet Restaurant Manager, came up with the idea of a spaghetti dinner, selling ice cream at Driver's Appreciation, and ice water at Petro Car Show. All this was in addition to the Hub City Cruisers selling raffle tickets for a replica 1956 pedal car. What fun we had and what a wonderful opportunity to share Jesus with so many.

Pedal Car Raffle—half of the proceeds (\$600.00) went to the new chapel project.

Cindy Knight (Rochelle Petro HR manager) and Jimmy Combs (Hub City Cruiser's president) presented Jay with checks for Pedal Car Raffle, ice cream, and ice water sales.

Cerwin High, from TFC headquarters, has begun work on the new chapel and is hoping to have it finished by the end of September. Praise God for the crew of gifted men who work with Cerwin, volunteering their time to build the chapel.

*That which we have seen and heard declare we unto you, that ye also may have fellowship with us; and truly our fellowship is with the Father, and with his Son Jesus Christ. And these things write we unto you, that your joy may be full (1 John 1:3-4 KJV).*

The work here in Rochelle continues to be fruitful for the glory of God. I met Don in the parking lot and began witnessing to him. He was a bit apprehensive to kneel down in the parking lot and pray. I was already on my knees and said, "Do you want to go over to the chapel and pray?" He said, "I would feel much better about that." So we entered the chapel and Don prayed for Jesus to save him. Thank God for the victory we have in Jesus!

We did our once-a-month service in the theater room of the Petro and had a full house. At the end of the service, praise God, three men committed their lives to Jesus—while at the same time four other drivers were mocking and trying to interrupt. However, the three men cried out to Jesus right in front of everyone.

This summer has been full of outside ministry activities for Karen and me. What a privilege and variety of opportunities the Lord has given us, praise His Holy Name! Karen and the ladies in the Wednesday morning Bible study seem to be moving right along studying from the Word of God. I'm so proud of Karen, as she is not doing some step program or humanistic approach to tickle people's emotions but letting the pure, unadulterated Word of God have His way.
